

Week 1-Which faction are you part of?

Children will be placed in a faction, Candor - Honesty, Erudite - Intelligence, Dauntless - Bravery, Abnegation - Selfless, Amity - Peaceful

Aptitude test

The children will take part in a test which will determine their faction, or they may discover they do not belong to one faction, they are in fact, Divergent. They will have a big decision to make about their future as they will need to decide if they should stay in their current Faction or move to one which they feel suits their personality.

We will be exploring our unique qualities and creating collaborative artwork throughout the week.

Divergent

Veronica Roth

Y6 – Spring Term 2 2017

Week 6 – How do we overcome our fears?

This week we will face our fears and write a narrative explaining how we would get through a simulation of our biggest fears, just like the Dauntless in Divergent.

We will be listening to music that inspires fear within us and creating artwork based on what is conjured up in our minds.

Week 5- How can we find strength in everyone?

This week we will focus on our own strengths and identifying what they are. We will be writing descriptions of ourselves as characters in the text.

We will explore what makes us who we are and our unique strengths.

We will explore identity and whether it is right for society to group people.

ASSESSMENT WEEK

Week 2- How do our choices transform us?

Children will be making a decision about their faction. Children will create a short story with choices which determine your faction. This will then be a new aptitude test!

Finished stories will then be passed to Year 5 children to read to determine which faction they would be in.

In maths we will analyse test results with a focus around fractions and percentages.

Week 3- How can we be Dauntless?

This week we will focus on health and fitness and look at the Army and how soldiers look after their bodies in order to protect and serve.

We will complete fitness tests and come up with a fitness regime for year 6. We will be put through our paces to ensure our bodies and minds are prepared for us to be Dauntless.

Week 4- How would the factions show appreciation to their parents?

This week is enterprise week in school and each faction will create a stall linking to their beliefs. We will be marketing our stall in English and calculating costs and profits in maths. We hope to see you all at the Spring Fayre to visit our stalls.
