

2 March 2022

Y1 Wonderdome Mobile Planetarium
26th April 2022

Dear Parents/Carers

Next half term, Y1 pupils are going to be learning all about space. In particular, we will be working on our 'Moon Zoom' topic. As an exciting launch to this, we have booked Wonderdome, the mobile planetarium, to come to school on Tuesday, 26th April 2022. We will be finding out about the planets in our solar system, space travel, the moon and constellations.

The cost of this will be £5.30 per child, which is payable by ParentPay only, either online through the ParentPay website, or at your local PayPoint. In order for us to make sure the event can go ahead it is important that we receive payment by Monday, 28th March. While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the visit, please come in and discuss this with us.

Thank you for your continued support.

Yours faithfully
