Dear Parents/Carers

EYFS Reception: Owl Adventures – 13 October 2023

To support our children's learning, we have arranged for the Owl Adventure mobile falconry to visit our Reception children on **Friday, 13 October 2023**. This will be an exciting part of our learning and should be a fantastic educational experience. The children will be able to see, touch and even handle a selection of owls.

Our visitors will be working with our reception children, in small groups, allowing them to investigate the creatures, and learn all about them.

The cost for this event is **£3.48** per child, please, which is payable by ParentPay only, either online through the ParentPay website or at your local Paypoint. By payment you are consenting to attendance, and in case of emergency, the permission for your child to receive medical treatment. Could you also advise if your child has any allergies that we need to be aware of, by completing the questions that you will be prompted to complete through your ParentPay account. To secure the event, it is important that we receive payment by **22 September**, please.

We believe that children learn best from first-hand experience, so events like this are an important part of the school year and make a positive contribution to children's development. Such events can only take place if parents are willing to contribute towards their cost. Parents are not obliged to contribute but if insufficient voluntary contributions are received then the event will not be allowed to go ahead.

We are really looking forward to this experience!

Many thanks for your continued support.

Yours faithfully

The EYFS Team
