5 October 2023

Dear Parents/Carers

Y5 Wonderdome Mobile Planetarium – 29 November 2023

This term Y5 pupils have begun their topic learning all about space. In particular, this will continue into next term and as a celebration of this learning, we have booked Wonderdome, the mobile planetarium, to come to school on **Wednesday, 29 November 2023**. This is a fantastic experience allowing the children to experience their learning in a very visual way. We will be finding out about the planets in our solar system, space travel (including the space race), how and why we get night and day, the phases of the moon and constellations.

The cost of this will be **£6.41** per pupil, which is payable by ParentPay only, either online through the ParentPay website, or at your local PayPoint. In order for us to make sure the event can go ahead it is important that we receive payment by **Friday, 27 October 2023**. While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the visit, please come in and discuss this with us.

Thank you for your continued support.

Yours faithfully

Mrs Watts, Mrs Dougherty and Miss Williamson
Y5 Class Teachers
