Dear Parents and Carers

Y1 Tea Parties

As part of our topic work on food, we would like to invite you to a tea party that will be held in school on Tuesday 26 March at 2:00pm for Butterflies and Wednesday 27 March at 2:00pm for Kestrels.

The children have been busy creating their own invitations for you and have been thinking about what food they will help prepare for the day. All food that will be served to you will be prepared and made by an adult or your child only, and no hot food will be provided so that the children can safely serve you on the day.

In order to help us buy and prepare the food, we would need all replies to be in by Friday 15 March. Also, in order to help us with costs, we are asking for £2.00 per adult attending (maximum 2 adults per child) payable through your ParentPay account.

Please complete this [Microsoft form](#), stating how many people will be attending and your food choices for the day. The children will be helping to collect this information and working out what we need to buy (please also note that the choices are fairly limited as preparing food with large numbers of children is complicated enough!).

We hope you can join us on the day!

Yours faithfully
