7 March 2024

Dear Parents/Carers

### **Robotics Club Visit to AMRC**

Your child has been invited to AMRC on the 12 of March to compete in a special Robotics challenge. During the day, the children will have the opportunity to participate in a number of challenges using their robots to compete against other schools. The children will have to work as a team to complete an obstacle course as well as an arena challenge!

Transport for the day will be leaving school at 8:00am and will be returning to school by 3:15pm. Can we ask the children get here no later than 7:45am, leaving enough time to be registered and to allow chance to go to the toilet. Normal school uniform should be worn on the day as well as a warm coat. The children will also require a packed lunch and a drink (*no glass bottles or fizzy drinks please*). If your child is entitled to a free school meal, a packed lunch will be provided for them, but please let us know if you do not require this.

There is no cost for this visit but please ensure that you have completed this [medical and consent information form](#) to confirm that your child is able to attend.

We believe that children learn best from first-hand experiences, so school visits are an important part of the school year and make a positive contribution to children's development.

We are really looking forward to our visit!

Yours faithfully

Miss Williamson  
**Y5 Class Teacher**
