

100 BOOKS TO READ

Dear Parents

We are excited to tell you all about our 100 books to read before you leave KS2. Each year group has a list of 25 recommended books that they should try to read before the end of the year. These lists contain books that the children are reading in school as well other books that we hope the children will enjoy. The children will be able to borrow a copy of the books from school, and will track how many they have read with a personal booklet. We hope the children will recommend the books to others in their class. We'd love to see pictures of the children reading the books off their year groups list, perhaps even in an unusual place – tweet them to us - @MaltbyLillyHall or e-mail to info@maltbylillyhallacademy.com.

In school we will be promoting a different book in every class, every half term. As this is the final term of the school year we are hoping that children will try to read as many of the recommended texts for their year group as possible but appreciate that it won't necessarily be possible to read the 25 for this academic year. There will be prizes for whoever can read the most over the next term.

We are really hoping to encourage a love of reading in our children, as well prove that reading is fun! Reading is such a fundamental life skill and the more we read, it helps to develop our vocabulary and sparks our imagination.

Thanks for your continued support.

Yours faithfully

Mrs K Dougherty
