

English

In English this half term we will be looking at poetry, diaries and formal letters, linking what we write with the text we are reading. We will also be completing persuasive writing, looking at the main conventions.

Maths

In Maths we will be learning about:

- Perimeter and area of composite shapes
- Formal written methods for multiplication.
- Formal written methods for division.
- Mixed and improper fractions.
- Comparing and ordering fractions.

Science

In Science we will be learning all about different ecosystems, and environments of the Biomes studied.

The Arts

In music we will be listening to, composing and performing raps, linked heavily with our poetry work in English. We will also give focus to the style of Motown.

ICT

In ICT we will continue to look at coding programmes. We will also create an information about a specific Biome, the form this takes will be decided upon by the children.

PE

Maltby Academy will be teaching football on a Friday. Class PE will be hockey on Tuesday.

History/Geography

Geography will be our main focus this term, the children will be able to describe and understand key aspects of physical geography, including climate zones, biomes, particularly within North and South America. As well as focusing on the human impact upon these biomes. In history we will use historical sources and enquiry.

Biomes Autumn Term

Learning Journey

Maltby Lilly Hall Academy - Year 5
