

English

In English this half term we will be looking at poetry, diaries and formal letters, linking what we write with the text we are reading. We will also be completing a piece of persuasive writing on advertising Camp Green Lake.

Maths

In Maths we will be learning about:

- Formal written methods for multiplication.
- Formal written methods for division.
- Perimeter and area of composite shapes
- Multiplying and dividing by 10, 100 and 1000

Science

In Science will be completing our topic on forces and the moving on to our topic on materials.

The Arts

In music we will be focusing on the style of Motown.

DT

We will be looking at creating a series of dishes that are connected to North America.

ICT

In ICT we will be looking at coding programmes. We will also create an information about a specific Biome, the form this takes will be decided upon by the children.

PE

This term PE will be fitness and dance.

History/Geography

Geography will be our main focus this term, the children will be able to describe and understand key aspects of physical geography, including climate zones, biomes, particularly with North America. As well as focusing on the human impact upon these biomes.

In history we will use historical sources and enquiry, with a focus on Black history.

Biomes Spring Term 1

Learning Journey

Maltby Lilly Hall Academy - Year 5
