Dear Parents/Carers

Reception Parental Engagement Sessions

We are very excited to send you an open invite to come to Reception class every fortnight at 2.30pm, to a variety of different sessions to join in with your child. Examples of these sessions will include come and read, come and count, come and craft, come and explore, and so on. Please enter via Lilly Hall Road and wait outside the classroom doors.

These will begin week commencing Wednesday 6th November for Ladybirds and Wednesday 13th November for Caterpillars. These sessions are open to all parents/carers of reception children however, we do need to limit this to a maximum of 2 people per child due to numbers and space in class. These are on a voluntary basis and will now continue throughout the year. This will allow everyone the opportunity to attend as the year progresses and we ask parents/carers to come to as many or as few as you wish. All children will take part in every class session even if a family member does not attend due to commitments.

Please see the dates below:
