Forest School
Miss Pritchard's Class

Dear Parents/Carers

Following the letter you received last week regarding our Forest School sessions starting after half term, we would like to confirm that this will begin on **Friday 13th November** (afternoon), which is the second week after half term. We will then continue this weekly at the same time.

It is essential your child has the correct clothing as we will be going out in ALL weathers! Just to remind you, your child will come to school wearing their Forest School clothing on this day (no uniform required) and will need to bring with them their waterproof outfits and wellies in a separate bag (as small a bag as possible please as these will be kept in the cloakroom which has limited space, drawstring bags are ideal). Could we also ask that EVERYTHING your child wears/brings is clearly labelled with their name.

In our Forest School sessions we use a range of resources and natural materials which include things like pine cones, sticks, cardboard, conkers and bird seed. We would be extremely grateful for your help in providing some of these items if it is possible. We will have a notice up on the main entrance door specifying items we will be needing and if it is something you are able to provide we would welcome your donations.

We are really looking forward to starting this with our children this year and we are confident they will love it just as much as the staff!

Thank you for your continued support as always.

Miss Jones
Forest School Coordinator
