

RWD/RBA

7th October 2020

Dear Parent/Carer

Year 6 Open Evening 2020

I hope that you and your family are well, and your child is settling into Year 6 after such a long time out of the classroom.

Due to COVID-19 and social distancing guidelines, we have had to radically rethink our approach to Year 6 into 7 Open Evening this year. Under normal circumstances we would be inviting all parents/carers into the Academy for an evening to meet staff, students and have a tour of the Academy to show all the opportunities available to your child should they transition to Maltby Academy next September 2021. Unfortunately, in the current climate, we are unable to host such an evening.

We have therefore created two videos, available to watch on our website:

<https://www.maltbyacademy.com/year-6-open-evening>

One of these is a presentation from myself and Miss Crofts (Year 7 Student Achievement Leader) that contains key information about the Academy and the transition process. The other video is one highlighting the opportunities available to students at Maltby Academy. We will also be visiting all Year 6 classes over the next few weeks in their primary school.

Additionally, we understand that there may be individual questions about the process and therefore we would encourage parents/carers to email their queries to Miss Crofts:

ncrofts@maltbyacademy.com

Any questions regarding special educational needs should be directed to Mrs Crompton (SEND/CO): kcrompton@maltbyacademy.com

I hope that the videos and the contacts above will go some way in replacing our traditional Open Evening event.

Yours faithfully

Mr R Wood
Principal

Success for today, prepared for tomorrow.
