Lilly Hall Academy

5th January 2021

Dear Parents/Carers

I would like to once again thank you for your support and adaptability as we move into another phase of the ongoing Covid-19 pandemic. We know that this will inevitably be a difficult period for children and families - rest assured that we will be doing whatever we can to support you and your children. The strength of our school community has enabled us to work through the period since March and will equally enable us to work through this latest phase.

We will be working hard in the coming days to ensure that your child receives a consistent, high quality educational provision during this period of lockdown. However, given the short timescales of the government announcement last night, it will take us a couple of days to implement the full provision. Initially this week, we will be offering learning via Purple Mash as we did in the previous lockdown. If you are unable to access Purple Mash online, we will have limited numbers of paper packs which can be collected from reception by arrangement from 9:30am tomorrow morning.

From Monday 11th we will be offering a more comprehensive, structured timetable for all children accessing remote learning. This will include live teaching via Microsoft Teams by either your child's class teacher or the other year group teacher. On Monday each week, your child will receive an email via Purple Mash containing a timetable (see example below). This will set out the learning for the coming week and will include hyperlinks both to online activities and to the live lessons which will be delivered. Clicking the link will automatically launch the relevant application, whether that is within an educational resource such as Purple Mash or the Microsoft Teams web app.

	English Activity 9am – 10am	Online Lesson 10-11am	Maths Activity 11am – 12pm	Wider Curriculum Activity (PM)
Day 1	To orally rehearse a section of narrative https://classroom.thenational.academy/lessons/to-orally-rehearse-a-section-of-narrative-6dqkag	Microsoft Teams lesson online See Class Dojo for Daily lesson link	Reading and writing 3 digit numbers https://classroom.thenational.academy/lessons/reading-and-writing-3-digit-numbers-cck4r	What are forces? https://classroom.thenational.academy/lessons/what-are-forces-6dh3ec
Day 2	To investigate prefixes https://classroom.thenational.academy/lessons/to-investigate-prefixes-6hgpae	Microsoft Teams lesson online See Class Dojo for Daily lesson link	Partitioning numbers in different ways https://classroom.thenational.academy/lessons/partitioning-numbers-in-different-ways-cgw34d	How can we measure the size of forces? https://classroom.thenational.academy/lessons/how-can-we-measure-the-size-of-forces-c4vker
Day 3	To revise our understanding of simple, compound and complex sentences https://classroom.thenational.academy/lessons/to-revise-our-understanding-of-simple-compound-and-complex-sentences-74164d	Microsoft Teams lesson online See Class Dojo for Daily lesson link	Ordering and comparing numbers https://classroom.thenational.academy/lessons/ordering-and-comparing-3-digit-numbers-68w68d	What are contact forces? https://classroom.thenational.academy/lessons/what-are-contact-forces-7413gc
Day 4	To generate ideas for writing https://classroom.thenational.academy/lessons/to-generate-ideas-for-writing-64ukec	Microsoft Teams lesson online See Class Dojo for Daily lesson link	Adding and subtracting 3 digit numbers https://classroom.thenational.academy/lessons/adding-and-subtracting-3-digit-numbers-cmw36t	What are non-contact forces? https://classroom.thenational.academy/lessons/what-are-non-contact-forces-6alkad
Day 5	To develop a rich understanding of words associated with clever or sly traits (Part 1) https://classroom.thenational.academy/lessons/to-develop-a-rich-understanding-of-words-associated-with-clever-or-sly-traits-part-1-6cr6g	Microsoft Teams lesson online See Class Dojo for Daily lesson link	Rounding 2 and 3 digit numbers to the nearest 10 https://classroom.thenational.academy/lessons/rounding-2-and-3-digit-numbers-to-the-nearest-10-6qu3er	What impact do gears, levers and pulleys have on forces? https://classroom.thenational.academy/lessons/what-impact-do-gears-levers-and-pulleys-have-on-forces-60w3cd

While the timings for most activities will be suggested, the times for the live lessons are obviously fixed. We will, however, be endeavouring to make these available in a recorded form for any child who has missed the time slot. We hope that this will make accessing the online offer much more straightforward for both children and parents, however a technical support email address will be made available for any queries, this will be sent out next week via MyEd.

Finally, I would like to thank you for your on-going support. We hugely appreciate the efforts you have gone to in supporting us in the last few months and know that this will not be an easy period for any of you. Please rest assured that we are here to offer any support we can, whether that be with online learning or any other issues – please ring or contact via the 'info' email if we can help you in any way. Stay safe and we look forward to seeing you all as soon as we are able.

Yours faithfully

R. Pease
