Summer 2 Enrichment

We are pleased to inform you that we will be continuing to provide all children with an enhanced enrichment offer at Maltby Lilly Hall Academy this academic year.

This will involve teachers offering a variety of after school clubs throughout the year giving children a greater range of opportunities and experiences beyond of the classroom. Some may be previously loved clubs and others may be brand-new ones. We hope that the broad range of activities on offer will interest all children.

Clubs are run on a Monday, Tuesday or Thursday after school until 4:15pm. All after school clubs are free of charge but please ensure you book early to avoid disappointment as all clubs have limited places.
