### **Y5 – FANTASTIC BEASTS**

Dear Parents / Carers

Next week in English our focus text for reading will be 'Fantastic Beasts and Where to Find Them'. As well as reading the descriptions of some of the beasts from the texts, on Thursday 17<sup>th</sup> June, we would like to compare a 'visual description' of them as depicted in the film. We will be doing this by looking at the vocabulary JK Rowling used to describe them and comparing this with perceptions of the film creators.

As indicated before the clips are taken from a small section of the film where the audience is first introduced to some of the different 'fantastic beasts', which they will be reading about. This will be the only focus from the film.

As you may be aware, the film is rated a 12A, therefore we would like your permission for your child to watch the clips from the film in school. Please complete this [FORM](#) giving your permission.

Unfortunately, any child without a signed permission slip will be unable to watch the clips.

Thank you for your continued support.

Yours faithfully

Miss Denton, Mrs Watts & Mrs Dougherty  
Y5 Teachers
