**FOUNDATION 1 EVENT – LION LEARNERS ANIMAL EXPERIENCE**  
**Wednesday, 6<sup>th</sup> April 2022**

Dear Parent/Carer

To support our children's learning, we have arranged for 'Lion Learners Animal Experiences' to visit Woodlands 1 on Wednesday 6<sup>th</sup> April 2022. This will be an exciting part of our learning and should be a fantastic educational experience. The children will be able to see, touch and even handle a selection of creatures including amphibians, reptiles and mammals.

Our visitor will be in school in the morning and the afternoon, working with all groups of children, allowing our children to investigate the creatures in small groups and learn all about them. Special considerations will be made for any creatures present that children may be afraid of and staff will be on hand at all times.

The cost for this event is **£4.60** per child, please, which is payable by ParentPay only, either online through the ParentPay website or at your local Paypoint. By payment you are consenting to attendance, and in case of emergency, the permission for your child to receive medical treatment. Could you also advise if your child has any allergies that we need to be aware of, by completing the form from this [LINK](#). In order for us to secure the event, it is important that we receive payment by Friday, 25<sup>th</sup> March 2022.

While we fully appreciate that all contributions are voluntary, we are only able to offer experiences such as this if we receive sufficient support. If you are struggling to pay for the event please come in and discuss this with us.

We are really looking forward to a wonderful day.

Many thanks for your continued support.

Yours faithfully
