Below are some points from Maltby Leisure Centre's risk assessment for your information:

- Entry to the building should be made through the leisure centre entrance to the side of the building.
- The teacher will need to sign in at Reception and they will be told which group changing rooms they can use.
- The children and staff will follow the 'one-way' system marked out to the group change and then wait by the fire exit doors in the changing rooms to be collected by the teachers.
- After the lesson, the children and staff will exit the pool hall by the entrance to the changing rooms near the showers and walk around the 'one-way' system to the group changing rooms.
- The showers will be unavailable.
- Exit from the building will be via the service centre entrance on the car park side of the building.

Please can you complete this parental [consent medical information form](#). Without this your child **will not** be able to participate in the lessons.
