9<sup>th</sup> June 2022

Dear Parents / Carers

As we are now well into the summer term, our thoughts turn to the forthcoming academic year, and I would therefore like to inform you of your child's class and teacher for next year.

The vast majority of teachers will remain in the same year group next year in key stages one and two. We welcome back from their maternity leaves Miss Elliott who will now teach in Y4 and Mrs Ward (formerly Miss Murdoch) who will return to Y2. Mrs Rose will move to Y3 and be covered until December by Miss Campbell who is an excellent practitioner and covered a Y4 class for a few weeks just before Easter. Mrs Rose returns from her maternity leave in December.

The most substantial change comes in EYFS, where there have been several staffing changes for next year. We warmly welcome Mrs Aoun as our new EYFS lead from September, who is a widely experienced Early Years practitioner and is an excellent addition to our team. Joining her in Reception is Miss Fish, who is also experienced in Early Years and is another high-quality addition to the team. Miss Fish will be covering Mrs Gibson's maternity leave until her return next Easter.

The final teaching addition to the team will be Miss Powers who is our new Nursery teacher. Miss Powers is fully Early Years trained and is a dynamic, high-quality, and enthusiastic teacher. The newly formed EYFS team will all be available on the relevant transition days to meet parents of EYFS children.

TA provision has not yet been finalised, however if your child receives 1 to 1 provision, the member of staff delivering this will be communicated to you before the start of the new academic year.

The table below shows your child's current class and the class they will be moving to in September. Please note, some classes have changed their animal names from the start of the next academic year.

We currently have some transition sessions planned so your child can meet their new teacher before September. For next year's F1 and F2 children there are already transition meetings in place after school on 13<sup>th</sup> and 20<sup>th</sup> June, to which parents are welcome. Current F1 children will know their relevant teacher next year in the pack given to parents at the 'Welcome to Reception Class' event on 13<sup>th</sup> June 2022 (4pm to 5pm).

Other transition dates are 5<sup>th</sup> July (afternoon), 7<sup>th</sup> July (afternoon) and 15<sup>th</sup> July (morning) where your child will go to their new classroom and have lessons with their new teacher for next year as outlined in the table above.

If you have any questions in the meantime, please do not hesitate to contact us on our [info@maltbylillyhallacademy.com](mailto:info@maltbylillyhallacademy.com) email address.

Yours faithfully

Mr. R Pease
