**Y6: Visit from Dr Diane Davies – 21st November 2022
Maya Archeologist**

Dear Parents/Carers

As a part of our history topic which focusses on the Maya Civilization, we have arranged for Dr Diane Davies, to visit Year 6 on Monday, 21st November.

Dr Diane has had first-hand experience in the Maya rainforest and is one of the few archaeologists in the UK who specialises on this subject. Dr Diane will be delivering a presentation and workshop to Year 6 which will involve historical enquiry with a large collection of Maya artefacts. The children will discuss what they are made of, how they were used and who they may have belonged to. There will also be time for questions.

The cost of this event will be **£6.60** per child. Payment can only be made via ParentPay, either online through the ParentPay website or at your local PayPoint. If you wish for your child to take part, please ensure payment is made by **Monday 31st October 2022**.

We believe that children learn best from first-hand experience, so school so such events are an important part of the school year and make a positive contribution to children's development. Such events can only take place if parents are willing to contribute towards their cost. We hope that you will be able to offer your support in our endeavour to offer broad educational experiences through visits/events. Parents are not obliged to contribute but if insufficient voluntary contributions are received then the event will not be allowed to go ahead

Please ensure you have completed the online form which gives your child consent to attend all Exceptional Experiences 2022/2023.

We are looking forward to a welcoming Dr Diane into our school!

Yours faithfully

Mrs Moore & Mrs Hepworth
Year 6 Teachers
