# Welcome

We are pleased to inform you that this academic year at Maltby Lilly Hall Academy we will be providing all children with an increased enrichment offer.

This will involve teachers offering a variety of after school clubs over the year to give children a greater range of opportunities and experiences outside of the classroom.

We hope that the broad range of activities will interest all children whether that be sport, chess, or choir. Clubs are run on a Tuesday, Wednesday or Thursday after-school until 4:15pm. All after-school clubs will be free of charge, and we hope to see lots of children attending to enhance their learning, develop new skills and have fun!

After the fantastic success of our Autumn and Spring term clubs, we are pleased to be able to offer a range of different activities for Summer Term. Please ensure you book early to avoid disappointment as clubs have limited places. The office will send out details before Easter regarding sign up for the next half term (Summer 1).
