Dear Parents / Carers

As we are now well into the summer term, our thoughts turn to the forthcoming academic year, and I would therefore like to inform you of your child's class and teacher for next year.

For the next academic year, there will be no change in teaching staff in EYFS and key stage one with the exception of Mr Dunn, who we warmly welcome into Squirrels class in year 2.

There are some tweaks in teaching provision in key stage two. Mrs Hepworth will move to year 4 alongside Miss Hancock who is covering Miss Elliott's maternity leave next year. Year 5 also changes with Miss Williamson taking her current class up and working alongside Mrs Dougherty and Mrs Watts.

Year 6 also changes with Miss Denton moving up to this year group alongside Mrs Moore.

Parents of F2 Reception children are already aware that their classes are to be mixed to go into year 1. A separate message to each of these parents will be sent imminently today informing them of their child's new class. If this message has not been received by 3pm today, please contact school for this information.

F1 parents will be notified which F2 class they are in later this week.

TA provision has also been finalised, if your child receives 1 to 1 provision, the member of staff delivering this will be communicated to you before the start of the new academic year.

The table below shows your child's current class and the class they will be moving to in September.
